Liberty by the Lake moving to Five Star

THE COLONY, Texas — Due to flooding at Lewisville Lake, the City's annual [Liberty by the Lake](#) festival on Saturday, July 2, has been moved to The Colony Five Star Complex, 4100 Blair Oaks.

The Liberty 5K, 10K & 1 Mile Fun Run will still be held at Stewart Creek Park, 3700 Sparks Road.

Current [water levels](#) at Stewart Creek Park have the site for shooting fireworks under water. Projections from the US Army Corps of Engineers do not anticipate water levels dropping fast enough for that area to be usable by July 2.

We hope you will join us at the Five Star Complex for the same great family fun you have come to expect at Liberty by the Lake. For more information, please call The Colony Parks & Recreation Department at 972-625-1106.
